

THE PORTFOLIO COLLECTION™ NATURAL ROLLER SHADES

Natural Roller Shades are the new natural in design and interior décor. They combine the simplicity of a roller shade with the beauty and texture of a woven fabric.

Pair natural beauty with modern style through fabrics woven in sleek, thin designs and colors tailored to contemporary décor.

COLOR + TEXTURE

Natural roller shade fabrics are made bright white and in more shades of gray than ever before, adding to their contemporary style. Fabrics are offered in a variety of opacities and include open weave patterns as well as options designed to bring more privacy.

SAMPLE BOOKS

The Portfolio Collection's Natural Roller Shade sample book features 34 patterns, which are shown on large sample swatches.

Books are available for \$110.

SHADE OPTIONS

Shades come standard with clutch controls. Upgrade to our smooth cordless lift or affordable motorized controls. All control options feature a clean design with a thin fabric roll that maximizes the view when raised and operates with no lift cords when lowered.
